To all Good Citizens of Louisville.

This is to make known, that orders have been it issued to the City Marshal and through him to the Police giving them power and authority to take possession of the various fire engines, and summon to their aid a sufficient number of citizens, to prevent loss and exit guish fires, whenever an alarm of fire field libe given. It is requested that all good citrzens will turn out and render such assistance as may be necessary whenever a fire shall occur, until the difference between the city and fire department can be satisfactorily adjusted.

IN WEEKLY JOUENAL.

LOUISVILLE

FOR PRESIDENT. Millard Fillmerc. OF NEW YORK.

FOR VICE PRESIDENT, Andrew Jackson Donelson,

WEDNESDAY, APRIL 30, 1856. The Daily Journal has much the est circulation in the city and couble the circulation in the country of any other daily paper printed in Louisville; and the Weekly Journal has much more other weekly papers in Louisville put

to by to exclude elavery from every root of fe erai territory o de of the D strict of Collision. The menting of the meeting encourage by all proper mea a the establishment of a depot from which beyond be alarery easis by a cordon of rew States from which savery will be frever excluded, and do what they pleased.

their lives, their persons, their possessious, and Augus'? f our republican institutions and to under- into fies upon his foul and accursed lips?

institution of negro slavery. The few of them great city of seventy thousand inhahitants is ru who is homes in the Southern States boldly or-freed, coming from a paper published in the city mond, Va., and Louisville, Ky., which are pied everywhere, while a boast in the same paauxil arree of a parent association of a similar per as to the city's prosperity would die unco character in the North, sedulously exerting ticed in its columns. The Louisville Demo co g into the country has increased in them arriving Dow in a single year is sufficient to daily seeing and will continue to see the mon

be prevailed upon to cettle in the new territories. Well, let them settle where they may, if the discretion of a Know-Nothing Council." they are permitted to take part in the legislation. The law requires imperatively the division of the work if he were sure he could escape of the country, the result, though it may not be all the large wards, the First, Second, and derection. He thinks the destruction of his so speedy, will still be certainly the ame. If they sho ld fix their residence in the slavyhold-the rest. The editor, as we se, misrepresents could ever be. He supposes it would excite the ing States, their opposition to the American and lies and does all in his power to make the sympathies of his party everywhere, and, that, efreesoil States. It is well known however that He seems, in his destructive and pertilent influan organized effort has been begun by the aboli- euces, to be a combination of the lice, the frogs. this day, he is probably indebted to us. The tionists to attract as many as possible of the foreign immigrants to the territories, that their and blains, the hail, the darkness that could be plac of operations is to pour into Kansas and felt, and all the rest of the ten plagues that isbed on the night of the 6th of August but for pro Nebraska just enough of such "squatters" to Heaven in its wrath visited upon Egypt.

make a sufficient population for a State, and then to direct the stream of foreign immigrants in the same way to another, and another, and another portion of the territories, until every foot of soil belonging in common to the whole conf deracy shall have been erected into free est. Giants, big and little, bave their crosses and brought into the Union. Even should this abolition scheme be only partially.

opposed to the American party. In the South these foreigners compose the principal part of the so-called Democratic party and actually outrol its movements. For the purpose of beguling Southern men to its ampport, this party party, het, if it should thus attain powers, the mask would be thrown off, and it would elevating to office none hut foreigners and freesollers, to the exclusion of native-born influential Democrat.

He never had a night mind to be in. applying premark mind was made wrong or ginally, and hate n envy and reverge and salo sy and all other in st. an amount so 1 of a demind in . Il all pass one have been make, g. more and more | coal mark is access the to them. TTO g ever since.

y made here among our business men and citi- at in that city. rs to induce the press to discontinue the dis-The develops to of the condition of Louisville in con- ly important to Memphis. A plentiful supply nec is n with the issues of political parties was of cheap fuel will plove a great element of a Kone-Nothing morement, designed tolely to success. It would materially benefit her rai promote Knou-Nothing purposes. Furthermore road interests, her manufactures, and ever he daily asseverates that he knows no Democrat | branch of her industry. A new impulse would the city that does not approve his whole thus be given to her already ispld progress than double the circulation of all the other weekly papers in Louisville put together.

Fredox lemigration—Its Effect took that the meeting at the Merchants' Extra The effect of foreign immigration of the double was by the the gravest con ideration of the of the American party. It was an adjourned terprise, and their own best interests demand the Southern States To the vast mee mg of merchants, business men, and citi- that they extend to it a prompt and liberal en number of foreigners yearly and monthly and weekly and dary awarming into our maritime the report of the committee sent to Indianapolis people of Memphis, with that enlightened aports to seek homes in our midst may be justly for the es'ablishment of business relations be- preciation of their own interests and that lib trib ted the constantly increasing strength of tween Indiana and Lo isville. Men of Antithe freeso party, which ie now preparing prac-tuly to exclude elavery from every foot of meeting. The men of of the American Order take the hundred thousand dollars of stock and

which savery will be f rever excluded, and consider the following seems to keep up the agitation of the slave
g r f a dissolution of the Union and the destriction of our Republican institutions.

It is used to keep up the agitation of the slave
the what they pleased.

Let us see what was done. A gentleman, who we believe is not a member of the A rican party, offered a resolution, asking it is battered to party and the communication of President Helm, published to yes enday morning's Journal, is such Indicated the proposed of the surface of the surfac tion of foreigners to the laticu to Louisville by the papers should cease. as to give assurance of a vigorous prosecution and his contemporaries considered only the reason why thus imm gration was mexpedient meeting was the brither of one of the editors ment than ten per cent subject to the casualties. for the whole country at a time when the num- of the Democrat, and we believe that neither Incident to private loans, rents, &c.? ber of foreign 1mm grants was only some 4,000 of the three members of the committee apa year. At present, when the amount of forthe interaction is more than a hundred times as great as it was when Mr. Jefferson wrote bis and we know that one of them is among the attempt in that quarter to underrate and depre otes on Virginia," it is for the same general imos' zealous Sag-Nichts of the city. Wby, in ciate the securities of the Southern States hat soons a but red times more objectionable than view of all these facts, which are as well of course materially afficied their value among

by all the people of the Southern States. While to day that the whole effort of the meeting to ista in the Southern States to become the own we are welling to extend to the foreigners who stop the discussion was a Know-Nothing movemany hereafter come among us a safe refuge men'? Why does he proclaim that the entire the effect to inspire confidence ahroad in their trom monarchical tyranny, the right to acquire prose of it was to relieve the Know-Nothing validity under laws authorizing their issue, and and to hold property, and to protect them in party of the odium of the events of the 6th of give assurance to those who purchase abroad the exercise of their religion, it is clearly de-monstrable that the South should seriously, and anammously insist that they scorn? What conceivable thing is there that giving the proper direction to public opin hall not be permitted to share in our legisla- such an impudent and miserable falsifier is too Such a purchase is not like taking stock in aid tion, at least ustil they shall have become fully good to say or do? Of what use is God's at- of an enterprise; it is the purchase of a proand certainly qualified to appreciate the spirit most here to such a wre'ch except to be coined ductive and convertible commodity

The editor boasts, that, if the prosperity of the homes in the Southern States boldly or-ticed, coming from a paper published in the city case themselves into Abolition societies. like itself, are so novel, so extraord nary, so utterly ose of the Free German Republicans of Rich- we hout parallel to the world, that they are coless, and most releptiess Abolitionists. For or Lear of them and be influenced by them. and in a blaze of triumph.

where a better influenced by them and in a blaze of triumph. When Walker shall thus have terminated the metrical progression. The number of twentieth part of those who have seen and are from the field, we shall have s

may apply for admission lote the Upion every a novel schievement in the theory and practice and light up a strife that might syread over half year so long as territory remains out of which of mortal villainy. The editor of the Demonew States may be erected. Already the foreigners, in a number of the States, hold the balance ones quences of his course, is disposed to boast ministration from the awkwaid effects of its of power between political parties and actually of his power, but it is only a power for evil, a stupidity. And we heartly wish him such succentrol the elections, and, in a little white, power that even a fool possesses. A fool set through the systematic efforts which have been fire to the Ephesian dome and burned it in an begun by an organized association of Northern hour; a madman might destroy a whole city in nothing but pure contempt. Abolition fapal es to induce foreign immigrante a night; there is a paltry worm that bores its to settle immediately in the u occupied Federal way into the Dutch dikes, and would, if its Territoriee, our very worst calculations may be work were not watched, cause the submersion realized and the immediate representatives of a kingdom by the waters of the ocean; but foreigners in the Senate and Congress of the universe could rebuild the temple of Ephesus, power there, bit actually outnumber the oracity, or the dikes of Holland. The editor noth branches of our Na ional Legislature, election, that the foreigners could safely remain Know Nothing. We do not know whether Mr

Then farewell to our republican lastitutions - bere, and that the scenes of violence would Labatt is or is not a Know-Notbing, but the farewell to the rights of the South, to the Con- never be repeated, he couldn't get the world to report that he is a defaulter is untrue and unitu 100 and the Unio 1 The miserable red re- believe him. By his own confession he is pow- ust. At the time of his going out of office he of the Free German Republicans will be epeedi- articles only through the very stupendousne ment. The pray is of the people of the South-ern States to be let alone in the possession of y the late Legislature requiring Louisville cords and accounts of the office, were transfer their property and in the exercise of their rights 'n make indemnity for property destroyed by red by him to his successor. In those records recognized by the Constitution will be scorn-mobs is worthless. He calls it a law for is to be found a complete statement of all the fu y rejected. Anarchy and distraction will the protection of Know-Nothing mobs. He uncollected bills and notes amounting to \$295, take the place of government and order. A knows that there were Democrats in the 000. But the new city authorities, without an iless proscription of pauve-born of izens Legislative committee with which the bill investigation brought suit against Labatt for erous Union will be rept in fragments, keenest and ablest Democrats of the House was and, amid the shants of victory from popes and on that committee and approved the bill in potentates in the Old World, our temple of liberty we be shivered, and the freedom which we ly supported by nearly all of the Democrati-now ergoy will become a thing of the past, "a membere of both houses; he knows or may three Democrats of the Legislature, who, in the Nothing efficial. A party, that resorts to such

school-boy's tale, the wonder of an hour," to know that there was not one of all the fif y Men of the Sou't' how like you the picture? consideration of the bill, suggested the frivolous miserable misepresentations as the Anti-American party has done in this instance, must he poung with all its might the American organiseed now urges. In calling the law a measure sadly at a loss for argument as well as principles. extermination agains native-born citizens, all the foulest possible calimny upon the whole of over, he is guilty of falsehood when he cal s the foreign is who come to this country will a dit onal voting places in isomeville "the partively put forth and their permicious abolition for life and property. He is as great a cutse characteristic donations, he would then get hunees boidly perhaps, but quite as earnestly as it sations of His Providence, ever sent upon a city.

THE NEWS FR M NICARAGUA .- We publish Nine hun red and hi ety-mine out of every the and of these foreigners come among us tables of ber condition, it must be because his telligence of Walker's signal victory over the tables are belt ved abroad and ours not. Costa Ricans at Rivas. Judging from the relationship of the relati throw of the Costa Ricans must have been no morely complete but ignominious This intel ligence harmonizes fully with our hopes and expectations in the case, and we shall be great y disappointed if it is not speedily followed hi more of the same exhibarating sort. As Riva is wi hin the limits of Nicaragua, and the Cos themselves to give out slavery from the States cra', by all its thousand former eulogies of the in which they ha pen respectively to settle as greatiess of Louisville, did nothing to promote the capital of that State, it is highly probable they are now d g in Texas. Nine-tenths the civ's prosperity, for its articles were re that Walker fought in the defensive, and that between of the foreign immigration goes to published nowhere, but its present articles, and the will now pay a immed ate visit to Corta however of this foreign immigration goes to swell the population of the North and contrib- nonneing such startling results, are republished R ca upon the heels of her flying troops. The utes to the strength of the party there com- in the papers of a hundred cities, and there is chances are that he will "carry the war into posed of the hercest, most fanatical, most rock- not a man in the Union who will not see them Africa" with a vigor that will end it promptly

conflict, and the smoke has somewhat riser furnish a population for ten States equal to strous and atrocious misrepresentations and relation to his. Until then discussion is useles ues, at this rate, under the operation of the what is said by the Democrat of the rnin from any prudent recognition of his government requatter sovereignty" principle of the Kansasrequatter sovereignty principle of the Kansasrequirement of the Kansa

ely circulated to the effect that David C. work calculations may be goed and the immediate representatives of a kingdom by the waters of the ocean; but guers in the Senate and Congress of the ed States may not only hold the balance of the there, but actually outnumber the mentatives of the native-born circulated to the effect that David C. In the senate and Congress of the edition of a kingdom by the waters of the ocean; but not all the fools and madmen and worms in the defaulter to the amount of two or three hounderd universe could rebuild the temple of Ephesus, or a city, or the dikes of Holland. The editor says that when he proclaimed, after the August because of our Na ional Legislature.

In the actually outnumber the continued of the Sunth is the foreigners could safely remain here, and that the scenes of violence would not the rights of the South, to the Continue and the Union of The miserable red relieve him. By his own confession he is poweled and accountably the visit of the Sunth is the better part of various and the Union of Science and leans to the amount of \$295,000. The control

soil States and brought into the Union. Even should this abolition scheme be only partially successful, it is a well-established fact that the great mass of the foreigners arriving in this country either go directly to these territories, there to become squatter sovereigns and voters and become voters in five years. Thus each year a number of voters equal to nearly the whole amount of the annual foreign immigration ballows are party in this country.

The whole of this vast freesoil element is opposed to the American party. In the South these foreigners compose the principal part of the so-called Democratic party and actually actually and actually and actually actually actually and actually actua

at the whole object in publishing his state out as to the condition of Loui ville is to uce her citizens to establish a better state of affairs here. This is but a hypocritical pretense. If his purpose were simply to influence the people of the city to any particular course of thought or feeling or action, he would con thee that has any circulation in the city. But e sends out those representations in his weekwhich is not read in the city at all, but goes thele West, Southwest, and South. His mothere appear only in his daily, cannot be Induce the people of Louisville to give the parantees, which he so clamorously demand security to the persons and the property of our native-born citizens. No, it is simply ve Louisville a bad name throughout the co ry to divert her trade, to destroy her weelth, t her off from all husiness connections with
